

Friends and Colleagues,

As most of you know, the Rodrigues family has been involved in the motorsports industry in many ways, in addition to our other interests. Recently, we have decided to divest ourselves of one of our holdings, The Star Mazda Championship. In that process, we have needed to change e-mail addresses which had formerly been routed through that Series' web site www.starmazda.com. My new address is gary@rodriguesholdings.com. Please adjust your system as needed, if you wish to continue to reach me by e-mail.

I would like to take this opportunity to express my appreciation to all the racers, young and not so young, and their friends and families, who have made our 22 years' operating the Series such a rewarding experience. It has been a real pleasure to see the young competitors we have known, mature and move up the ranks in motorsports. The list is far too long to mention here, but we cheer for you wherever you go and are pleased to occasionally see you at various events. We hope that facet of our lives will carry on for a long time to come. As we used to close all of our newsletters, "See you at the races!". We wish you the best of luck wherever the sport may take you.

We would be remiss not to acknowledge the many organizations that have contributed to our 22 year-long run with this Series, and the many long term friends we have made in the process, especially BBS wheels, Goodyear, Quartermaster, Replay XD, IndyCar, MoTec, Performance Friction, Racing for Kids, VP Fuel, and of course Mazda. There are many fond memories of working together to build the program. Thank you.

We plan to maintain our headquarters in southern California, so if you are in the area, please drop in and say hello. Our office number is (818) 686-3350.

Regards,
Gary Rodrigues
