## **Hickham Motorsports to field 3 Pro Formula Mazdas in this year's championship**

The Hickham family along with long time racing buddy Scotty Segers formed Hickham Motorsports to provide young Steven with a racing team. Steven Jr. will contest the entire 2006 series. After competing and finishing 1<sup>st</sup> in the Southwest Formula Mazda Teen Championship in 2005, Steven looks forward to a successful and building year in 2006.

Joining Steven on the team will be Russell Walker. Fresh off his 2<sup>nd</sup> full season in the Southwest Formula Mazda series, which included Rookie of the Year, 13 podium finishes and a 2<sup>nd</sup> place in the championship, Russell looks to continue his success at the next level. Sponsored by Dallas based Pavecon, Russell has spent a busy off season building seat time and testing with Hickham Motorsports in preparation for a run at the Star Mazda Championship.

Rounding out the effort will be team principal Steve Hickham. While Steve has many SCCA divisional championships to his credit he will be contesting only about half the series and hopes to be replaced on the team by another young development driver.

Hickham Motorsports goal is to develop a team that is able to move young drivers up the motorsports ladder for years to come.
