RBR announces Participation in the Formula Mazda Challenge Winter Series

Red Beard Racing Inc. recently announced their post season testing schedule and participation in the winter series presented by Standing Start in 2007. RBR will begin their off-season testing by participating in the Formula Mazda Challenge Winter series. The series will feature 3 double header weekends starting at Buttonwillow on November 16th, followed by Firebird on December 7th and wrap up at Phoenix International Raceway in January. Following the winter race series, RBR will be participating in several test sessions at series tracks prior to the Pro Formula Mazda season opener at Sebring in March, 2008.

“We’re excited about this opportunity to get a significant head start on next season. The double header format will allow us to keep our costs down while provide potential drivers the opportunity to show case their talents” explains team owner Bruce Croker. “Coupled with testing at series tracks later in the spring, this winter series will provide an unprecedented opportunity to arrive at the season opener at Sebring ready for a successful season.”

If you are interested in getting a head start on next season or simply in having your skills evaluated by a professional team, please contact Bruce Croker at RBR to reserve your seat in this highly sought after series.

2007 Star Mazda Winter Series presented by Standing Start			
<u>Date</u>	<u>Track</u>	<u>Event</u>	<u>Location</u>
Nov 16-18	Buttonwillow Raceway Park	Round 1 & 2	Buttonwillow, CA
