Placentia, CA- Goshen Motorsports and Gatorz Eyewear announced today the extension of their partnership for the 2008 Star Mazda Championship presented by Goodyear. Piloting the No. 82 car in the campaign will be 17 year old Billy Goshen. Gatorz Eyewear has been sponsoring Billy and Goshen Motorsports for the past couple of seasons in the Formula TR Pro Series, in which Goshen captured the 2.0 Liter Championship in 2007.

Gatorz Eyewear President & CEO Kerry Lynch stated, "I have had the opportunity to watch Billy Goshen's development not only as a race car driver but also an individual, and we are proud to continue to have him help promote the Gatorz Eyewear name. With Billy racing in the Star Mazda Championship along with the American LeMans Series, we will be able to hit another specific market in the racing industry. We are thrilled to have Billy on our team."

"I've been wearing Gatorz for a couple of years now, and I can't imagine wearing any other brand of sunglasses. It is exciting to continue our partnership with the Gatorz family, and I'm really looking forward to working with Gatorz throughout the 2008 Star Mazda Championship," Goshen remarked.

In celebration of this partnership extension from March 10th to March 14th at Sebring International Raceway, FL. Goshen Motorsports will be handing out 25% off coupons for Gatorz Eyewear.
