Goshen Motorsports Announces Harrison, New York based Company Pasternak, Baum & Co., Inc. as a Premier Sponsor for the Mazda Grand Prix of New Jersey at New Jersey Motorsports Park September 12th - 14th

[Printer-friendly version](#)

Placentia, CA

Goshen Motorsports announced today that Pasternak, Baum & Co., Inc. a Harrison, New York based company will be a premier sponsor for rounds 9 and 10 of the 2008 Star Mazda Championship presented by Goodyear at New Jersey Motorsports Park, Milville New Jersey September 12 – 14th. The # 82 car piloted by Billy Goshen will bear the Pasternak, Baum & Co., Inc. logo. Bill Goshen Jr. team owner said “we are especially pleased to have Pasternak, Baum & Co., Inc. as a sponsor for this race.” “It is very valuable to have local companies not only supporting the racing industry, but also understanding the economic worth this event will bring to the local economy.” “The New Jersey Motorsports Park is one of the newest and finest open wheel racing facilities in the United States and also one of the fastest.” Pasternak, Baum & Co., Inc. Senior Vice President, Kenneth Perrino “We are looking forward to participating in the first Mazda Grand Prix of New Jersey with Goshen Motorsports in Milville, New Jersey.”

Pasternak, Baum & Co., Inc. importer and exporters on six continents have engaged the services of Pasternak, Baum and Co. for more than 70 years. As brokers and merchant consultants, Pasternak has been known by the community of agricultural commodity traders around the globe since the 1920's.

Always an independent third party intermediary between buyer and seller, Pasternak provides not only competitive prices but each client is also offered a total solution through a variety of support services. The services include the procurement of freight, financing, insurance and logistics management. This full service brokering allows Pasternak to facilitate transactions of commodities for buyers and sellers around the world.

By virtue of Pasternak's unique combination of commodities and services we are able to consistently dominate our market niche as brokers of nearly a third of American corn and wheat products. Our leadership standing within the global marketplace is sustained by our knowledgeable staff of brokers with an average of 22 years experience in the commodity-trading field. This peerless level of expertise is complemented by long-term customer relations and unrivaled access to critical market information.
