Placentia, CA (March 4th, 2009) – Goshen Motorsports proudly announced today it has extended its partnership with Baker Commodities Inc. for the 4th consecutive season.

Baker Commodities, one of the nation's leading rendering companies, will serve as a "premier" sponsor of driver Billy Goshen and the Goshen Motorsports #82 Star Mazda race car in the 2009 Star Mazda Championship presented by Goodyear and Joshua Goshen driving the #04 speed truck in the west coast 14 race ASA Truck Series.

"I have been a race car fan most of my life. Growing up, I spent many hours in my father's garage watching him hot rod his Model A during the week and racing at the local dirt tracks on weekends. At Baker Commodities, we have the same dedication to provide outstanding service to our suppliers and high quality finished products to our customers, at the same time maintaining environmentally sound operations" said Jim Andreoli, President of Baker Commodities Inc.

"All of our employees have a winning attitude, and I see the same mind-set in the Goshen Motorsports Team and their dedication to succeed." I have observed the development of their young drivers Billy and Joshua Goshen into charismatic, championship caliber drivers. I am confident extending our relationship with Goshen Motorsports will further their careers, as well as, generate enthusiasm among our employees and customers" concluded Mr. Andreoli.

"At Goshen Motorsports we always look to align ourselves with companies at the forefront of their respective industries," said owner Bill Goshen Jr. "We are honored to have such a prominent company as Baker Commodities Inc. continuing as a loyal supporter of our racing program.

Since 1937 Baker Commodities Inc. has been engaged in one of the oldest recycling businesses, rendering. Privately owned, Baker Commodities continues as a green company and one of the nation's leading providers of rendering and grease removal services. Baker Commodities has a network of more than 21 facilities across the United States to convert animal by-products and food waste into commercial ingredients for animal feeds, consumer products and biodiesel.

Beginning in 1999, Goshen Motorsports drivers have posted over 100 wins, including 4 National Championships in Karting and the 2007 Formula TR Pro Series 2.0 Liter Championship. In addition to these Championships, Goshen Motorsports captured the 2006 Formula TR Pro Series 1600 Liter Class runner up and the 2007 Formula TR Pro Series 1600 Liter class third place.

On his way to capturing the 2007 2.0 Liter Championship, driver Billy Goshen, recorded 7 wins, 8 poles and a total of 16 podiums in the 20 race series. In 2008, Billy Goshen moved up to the Star Mazda Series capturing 7th place in the Championship recording one podium, 3 top fives, and 9 top tens in the 12 race season.

Currently, Goshen Motorsports is preparing for the 2009 ASA Truck Series opening at Blythe, California on March 7th with their 15 year old driver Joshua Goshen. In the Star Mazda Championship, Goshen will be expanding from a single car team in 2008 to a three car team in 2009 with the opening race at Sebring International Raceway on March 20th.
