Bowmanville, ONT- 28 August 2009-Rusty Mitchell heads to Mosport International Raceway in Bowmanville, Ontario for round 11 of the Star Mazda Championship this weekend with hopes of grabbing maximum championship points with a first place finish after an outstanding drive in the Motorola Mazda at Trois Rivieres.

Having dominated at Trois Rivieres last weekend by leading the entire race except for the final lap, a win for Mitchell Motorsports would be that much sweeter. The team has recently tested at the Canadian track and is confident that Rusty Mitchell will again have a strong car to compete for the win.

"The team performed well last weekend and we're looking forward to carrying that momentum to Mosport this weekend", said Mitchell. "With the testing we have done and our continued support from Motorola we're prepared to have yet another perfect car that can hopefully bring home the win!"

Mitchell Motorsports will have the chance to fine tune its race setup on Friday, August 28<sup>th</sup> during two practice sessions. Qualifying will take place Saturday morning at 9:20am and the race will go green at 5:35pm.
