

TEAM GDT SIGNS KYLE MARCELLI FOR LAGUNA SECA

FOR IMMEDIATE RELEASE

MONTEREY, California (October 3, 2009):

Team GDT announced today that it will field IMSA Lites winning driver Kyle Marcelli for the Star Mazda season finale at Mazda Raceway Laguna Seca.

Kyle Marcelli:

"Continuing our growing relationship with Lafarge, we have partnered together once more for 2009 to race in the Star Mazda Championship finale at Laguna Seca. I'm very excited to be a part of the GDT racing team for the final event on the 2009 Star Mazda Championship schedule. The team has shown great pace and development over this past season and I think it's only a taste of what to expect for 2010. After a successful season driving for ALMS team Intersport Racing in the IMSA Lites car, I'm really looking forward to getting behind the wheel of a Star Mazda at the famed road course."

Paul Mata, Team Manager:

"We are very pleased to have the opportunity to run a proven race winning driver such as Kyle. The team has worked very hard to develop and produce a front running package for this year and next. We have in place all the ingredients, engineering, driver coaching, and a great mechanical staff to be a consistent front runner."

Also after a two race hiatus and looking to continue his winning ways, Team GDT's principle JW Roberts returns to the cockpit. He had a terrific weekend at Three Rivers with a win in the expert class.
