They are scheduled to be on the second half of the show, which begins at 7 p.m. EDT and can be watched on the Internet at autosportradio.com through live video streaming.

Fans in the Indianapolis area who are over 21 can also be in the audience for the show, which airs from McGilvery's Pub and Eatery, 3009 North High School Road, Speedway, Ind.

Since he won his oval-track debut at the Milwaukee Mile last year, Krohn has to be considered one of the favorites for the Star Mazda race that will be part of the Night Before the 500 show at O'Reilly Raceway Park in Indianapolis on Saturday, May 29. The USF2000 series, which is presented by Cooper Tires and powered by Mazda, will also be on the card that night, as will the USAC Mopar midgets.
