Juncos Racing Update at Honda Indy Toronto

Toronto, ON (July 6, 2012)- Leading the Star Mazda Championship Series presented by Goodyear team and driver points, Juncos Racing finishes first day on new course at the Honda Indy Toronto. The team completed two practice sessions with Martin Scuncio and Connor De Phillippi finishing the day within the Top-10.

Scuncio, 20, driving the #22 Pullman Bus / Juncos Racing car currently third in battle in the Star Mazda Championship ended his day sixth overall with a time of 109.766.

"It was a good day at the beginning, but it was a short day with only two practice sessions," said Scuncio. "We ended the day a little early in the last practice session with an on track incident that caused me to hit the tires. I know tomorrow is a new day and we will finish strong as a team."

Leading the Star Mazda Championship points after a hard fought race at Iowa Speedway, De Phillippi, 19, driving the #2 ModSpace Motorsports One24 / Juncos Racing car finished his day behind Scuncio in seventh with a time of 109.897. Teammates Bruno Palli, 20, in the #15 Team Viso Venezuela / Juncos Racing car finished his day 11th overall and Diego Ferreira, 18, in the #57 Team Viso Venezuela / Juncos Racing car ended his day close behind 14th overall for the day.

Juncos Racing's Ricardo Juncos, Team Owner, saw today as a learning experience for the whole team as this was the first time on track for the team and the series.

"We learned a lot today running on the streets of Toronto for our first time," said Juncos. "We still have more improvements to make before we qualify and race tomorrow, but I am confident that the guys will put the cars upfront in both races this weekend."

The 2012 Star Mazda Championship presented by Goodyear will continue tomorrow July 7th, 2012 with qualifying from 8:00-8:30AM and Race #1 at 12:10-12:50PM EST. Live timing and scoring will be available via www.starmazda.com/timing/. For more information, please go to www.juncosracing.com.
