

SEBRING FLIGHT CENTER

If you are coming to the *2010 12 Hours of Sebring* in a private aircraft, please allow us at the Sebring Flight Center the opportunity to be your FBO service provider. Sebring Flight Center is an Avfuel dealer and an Avfuel Contract Fuel provider, and promises to treat you and your aircraft with the highest level of respect.

- Special fuel discounts available for race teams and corporate sponsors.
- Lighted, secure ramp during race week.
- GPU and lay services available.
- Concierge service available for any special requests.
- On-site catering available.
- Hangar space available.
- FTZ discounted fuel available for international departures.

Our promise to customers of the Sebring Flight Center is a first class experience with attention to each and every detail.

Contact our General Manager, Mark Whitehurst, or any other member of our staff for your aircraft needs at (863) 655-6455.
